Dear All

Following the information from SGC and YTL, I now attach an update programme in project and as a pdf.

There is still some information outstanding, especially in relation to the following:

- Completion of the possible Park and Ride sites – To be agreed between BCC and SGC and confirmed
- Completion of the Western Link to the A4018 – To be confirmed by YTL and SGC
- The planned number of houses to be occupied – To be confirmed by YTL
- The size, number and time of the events at the 16,000-seater Arena at Brabazon – To be confirmed by YTL

Please come with the dates before or at the next planned Transport Meeting on Friday 6th April.

Thanks for your help.

Nigel
